NOTICES & AMENDMENTS BY LINE OF ROUTE CODE**SO250 BATTERSEA PIER JUNCTION TO WILLESSEN WEST LONDON JUNCTION**

FACTORY LANE BRIDGE
FROM 0250 HOURS MONDAY 22 JUNE 2026
UNTIL 0315 HOURS MONDAY 07 JUNE 2027

As part of the upcoming refurbishment and strengthening works at Factory Lane bridge (structure 341 located at 0m484y on the FLL1 and 7m00y on the ATL line) there will be some changes in surroundings that drivers need to be aware of.

From 02:50 on 22nd June 2026 until 03:15 on 7th June 2027 there will be access stairs and a suspended crash deck present on the structure that will be visible to drivers on the FLL lines above the parapet wall. This will be installed during possession hours in Week 12. The access stairs and crash deck are static structures that may present a source of distraction to drivers passing over the structure on the adjacent lines.

There is no planned ALO working during this period so drivers just need to be aware of the change in environment once these features are installed. These changes will have no impact on signal sighting and no operatives will be present on the scaffold outside of possession hours.

(D23889) (22/06/2026) (UFN)

SO500 VICTORIA TO BRIGHTON

HORLEY STATION
FROM 2345 SATURDAY 11 OCTOBER 2025

As part of the upcoming refurbishment works planned at the Horley Station Footbridge, which connects the station to all platforms, and spanning all lines, will have scaffolding erected above the platform to support these works.

As drivers pass through this location, they will see the presence of this scaffolding and contractors working overhead.

The presence of this scaffolding and refurbishment works may be a source of distraction to drivers, so this notice is being provided to alert them of this change in the surroundings as they pass through this location.

(D23089) (11/10/2025) (UFN)

SO645 BATTERSEA PARK TO PECKHAM RYE

BETWEEN BATTERSEA PARK AND PECKHAM RYE
FROM 0005 HOURS SATURDAY 7 FEBRUARY UNTIL 31 DECEMBER 2027

Since 2024 on ongoing into 2027 the Victoria Area Phase 5 Re-signalling Project (Stewarts Lane, Longhedge Junction, Loughborough Junction, Nunhead, Ravensbourne, Herne Hill, Penge East area) continues undertaking civil and signal engineering installation works as below:

- installation of signal, location cases and Removeable Equipment Building (REB) foundations and buildings.
- Erection of signal structures and signal heads, including 4 foot equipment such as AWS, TPWS, Axle counter equipment, (Signal heads to remain covered and AWS cover plates to be fitted until commissioned)
- installation of speed indicators (to remain covered up until commissioned)
- Associated permanent way work.

WEED SPRAYING TRAINS IN OPERATION**FROM MONDAY 9 MARCH 2026 UNTIL MONDAY 31 AUGUST 2026**

In 2026 multi-purpose vehicles (MPVs) and Envu (previously Bayer) trains will be delivering the national train-borne weed spray programme.

If any staff are on or near the line when a Weed Control Train approaches, they should take the following action:

- On the approach of the Weed Control Train staff must acknowledge and move to a position of safety
- Remain in the position of safety; **Make themselves visible** to the Weed Control Train. If the spray operators can see anyone who is working in the vicinity, they will suspend spraying as they pass the site.
- Staff should not 'hide' behind bushes in an attempt to avoid being sprayed. In such cases the spray operators may not see staff and the spray jets are specifically designed to penetrate bushes.

The herbicides deployed by the Weed Control Train are biodegradable, non-irritant and non-harmful at the low concentrations used. In the unlikely event that staff are sprayed accidentally it is recommended that they take the following actions:

- If the eyes have been sprayed, rinse immediately with clean, water for 15 minutes and obtain medical aid if any discomfort is felt thereafter.
- Rinse any exposed skin with clean water and wash with soap and water afterwards.
- Avoid eating, drinking, or smoking until this procedure has been carried out.
- Change any sprayed clothing at the earliest convenient time and retain in a plastic bag for collection.
- Report the incident to the Route Operations Control.
- Should any member of staff be sprayed they may obtain advice from SCO 24:7 Seasonal Controller 01908 723500 (Option 8)
- If you have any medical concerns, please call the non-emergency NHS number – 111.

Should any member of staff require any further information or advice please contact:

SCO 24:7 Seasonal Controller 01908 723500 (Option 8)

(D23607) (21/03/2026) (22)

MISCELLANEOUS INSTRUCTIONS**REPLACEMENT OF DOO STATION EQUIPMENT AT KENT ROUTE STATIONS****FROM WEDNESDAY 01 MAY 2024 UNTIL WEDNESDAY 01 MAY 2028**

*****PLEASE NOTE THE END DATE HAS BEEN EXTENDED SINCE FIRST PUBLISHED*****

Driver Only Operation (DOO) equipment is gradually being replaced. The work mainly entails replacement of monitors and occasionally metalwork such as camera housings and monitor housings with new units at Kent route stations. Work will be undertaken between trains booked to call, or during white periods overnight.

Any queries should be directed to either Darren Goodall, or Doug Mackenzie – NR DOO Section Managers Kent.

(D/5341 – D20688) (27/04/2024) (UFN)
