SO500 VICTORIA TO BRIGHTON**BETWEEN THREE BRIDGES STATION AND BALCOMBE TUNNEL JN
FROM 0130 HOURS SATURDAY 29 MARCH 2025**

As part of the upcoming refurbishment works planned at the M23 Road Bridge, spanning all lines, between Three Bridges and Balcombe Tunnel Jn), scaffolding will be erected in the Trackside Cess and Overhead Bridge Parapets.

As drivers pass through this location, they will see the presence of this scaffolding and contractors working overhead.

The presence of this scaffolding and refurbishment works may be a source of distraction to drivers, so this notice is being provided to alert them of this change in the surroundings as they pass through this location.

GATWICK AIRPORT STATION ALTERATIONS PLATFORM LIGHTING SWITCHOVER

The Gatwick Station Project is entering its final phase of construction works and the next phase of the project involves commissioning into use the permanent lighting fittings on Platforms 5, 6 and 7.

The current platform lighting in the central section of the abovementioned platforms remain temporary fittings affixed to hoardings. From Monday 11th September 2023 (Week 24) this central section of lighting shall be changed over to its permanent light fittings. All lighting changeovers shall be fully tested prior to changeover.

This is to ensure minimum lux levels and lighting uniformity is achieved and verified by GTR test trains prior to enacting changeover. Whilst this activity shall not impact or affect the operational railway, operational staff based at and passing through the station may observe that lighting positions on the platform have changed so prior notice is being provided.

NATIONAL NESA FEEDBACK TOOL

*** We now have a **Sectional Appendix Feedback Form**, that can be used to bring any errors (or things that don't look quite right or not very clear), to the attention of the right person.

For any part of the Sectional Appendix, any part of the country, issues big or small, please use the following link to access the Sectional Appendix Feedback Form:

networkrail-networkcapabilityupdatetool.oncreate.app/w/webpage/141GBPTP1

The form will ask for some contact details (so we can get back to you), and then details of what you want to report and bring to our attention. You also have the option of uploading a file (e.g. a screenshot) to help explain what the issue might be.

Then all you need to do is select "Submit Feedback" and your feedback will be directed to the appropriate person for their attention.

NOTE: Some changes may be subject to required processes for example `Network Change` and/or `Risk Justifications`. This will be part of the feedback you may receive before the item can be progressed or archived for future reference/action by the Approver assigned.
