FROM 0250 HOURS MONDAY 22 JUNE 2026

UNTIL 0315 HOURS MONDAY 07 JUNE 2027

As part of the upcoming refurbishment and strengthening works at Factory Lane bridge (structure 341 located at 0m484y on the FLL1 and 7m00y on the ATL line) there will be some changes in surroundings that drivers need to be aware of.

From 02:50 on 22nd June 2026 until 03:15 on 7th June 2027 there will be access stairs and a suspended crash deck present on the structure that will be visible to drivers on the FLL lines above the parapet wall. This will be installed during possession hours in Week 12. The access stairs and crash deck are static structures that may present a source of distraction to drivers passing over the structure on the adjacent lines.

There is no planned ALO working during this period so drivers just need to be aware of the change in environment once these features are installed. These changes will have no impact on signal sighting and no operatives will be present on the scaffold outside of possession hours.
