*****NOTE THE END DATE HAS CHANGED SINCE IT WAS FIRST PUBLISHED*****

The Victoria Area Phase 5 Re-signalling Project (Stewarts Lane, Longhedge Junction, Loughborough Junction, Nunhead, Ravensbourne, Herne Hill, Penge East area) will be undertaking civil and signal engineering installation works as below:

- installation of signal, location cases and Removeable Equipment Building (REB) foundations and buildings
- erection of signal structures and signal heads (heads to remain covered up until commissioned)
- installation of speed indicators (to remain covered up until commissioned)
- associated permanent way work.

SO500 VICTORIA TO BRIGHTON**BETWEEN THREE BRIDGES STATION AND BALCOMBE TUNNEL JN
FROM 0130 HOURS SATURDAY 29 MARCH 2025**

As part of the upcoming refurbishment works planned at the M23 Road Bridge, spanning all lines, between Three Bridges and Balcombe Tunnel Jn), scaffolding will be erected in the Trackside Cess and Overhead Bridge Parapets.

As drivers pass through this location, they will see the presence of this scaffolding and contractors working overhead.

The presence of this scaffolding and refurbishment works may be a source of distraction to drivers, so this notice is being provided to alert them of this change in the surroundings as they pass through this location.

GATWICK AIRPORT STATION ALTERATIONS PLATFORM LIGHTING SWITCHOVER

The Gatwick Station Project is entering its final phase of construction works and the next phase of the project involves commissioning into use the permanent lighting fittings on Platforms 5, 6 and 7.

The current platform lighting in the central section of the abovementioned platforms remain temporary fittings affixed to hoardings. From Monday 11th September 2023 (Week 24) this central section of lighting shall be changed over to its permanent light fittings. All lighting changeovers shall be fully tested prior to changeover.

This is to ensure minimum lux levels and lighting uniformity is achieved and verified by GTR test trains prior to enacting changeover. Whilst this activity shall not impact or affect the operational railway, operational staff based at and passing through the station may observe that lighting positions on the platform have changed so prior notice is being provided.

GROSVENOR RIVER BRIDGE**08:00 TUESDAY 19 SEPTEMBER 2025 UNTIL 18:00 THURSDAY 05 FEBRUARY 2026**

As part of the upcoming drainage works at Grosvenor River Bridge (located between 0m1298y and 0m1612y on the VTB1) there will be some changes in surroundings that drivers need to be aware of.

From 08:00 on Tuesday 19th September 2025 until 18:00 on Thursday 5th February 2026 drainage pot remedial works will be undertaken and as part of this the team will be erecting a Haki staircase to the north abutment of the bridge.

This staircase will be visible above the parapet wall and is a potential source of distraction to drivers passing through the area on the adjacent lines.

The staircase will be positioned adjacent to the Brighton Reversible line at approximately 0m1563y.

When passing through this location drivers may also see operatives on the staircase carrying out work under an ALO plan (hand tools only). This work or the presence of this staircase will not impact signal sighting.
