**Last Updated** 25/10/2025

**Explanation of Change:** Signal TVC530/VC530 has been added.

(D23151) (25/10/2025) (UFN)

**CHANGEOVER TO GREENWICH MEAN TIME (GMT)**

British Summer Time (BST) will cease to operate as from 02:00 hours British Summer Time on Sunday 26 October 2025 when Greenwich Mean Time (GMT) will commence and in connection therewith, the following instructions must be carefully observed:

### 1. Adjustment of clocks on Railway Premises

The Signaller on duty in signal boxes (and other places where a night staff is employed) to be instructed that at 02:00 hours British Summer Time on Sunday 26 October 2025 clocks must be set to 01:00 hours by putting the hands backwards by 1 hour. At places which will be closed at the time the change operates, the clocks must be altered by the person who is last on duty on the preceding day (Saturday 25 October 2025).

Clocks electrically controlled are to be adjusted by the staff who usually attend to them.

### 2. Train Services

Trains due to commence their journey before 02:00 hours British Summer Time on the night of Sunday 26 October 2025 will continue throughout to their destination ahead of time. All trains due to commence their journey between 01:00 hours and 02:00 hours BST on Sunday 26 October 2025 will start 60 minutes early and run ahead of time unless otherwise shown in the Special Traffic Notices.

Trains booked to commence their journey at 0200 hours and after Greenwich Mean Time on Sunday 26 October 2025 must start as booked unless altered in the Special Traffic Notices. Depots are to adjust train crew booking on times accordingly.

### 3. Records and Journals

All records and journals must show the actual time of train running in British Summer Time until 02:00 hours Greenwich Mean Time from then onwards. All records showing times between 01:00 and 02:00 hours inclusive, should indicate whether BST or GMT.
