SECTION A - TEMPORARY SPEED RESTRICTIONS

(Until further notice unless otherwise specified)

Warning Boards and Indicators provided unless otherwise shown.

† Indicates that the Warning Boards and Indicators will be moved as the work progresses. Where two speeds are shown for a restriction e.g. 20 the Rule Book Module SP, Section 4.3, (differential speed restrictions) applies.

40

SECTION B - ENGINEERING ARRANGEMENTS.

At or Between	Lines Affected	Remarks
---------------	----------------	---------

Normally, signals are used to mark possession protection limits. Where points have to be used, this will be signified by the suffix "pts".

Detonator protection for possessions arranged under Rule Book Module T3 must normally be placed at 400 metres beyond the protecting signal (or points or through crossings beyond the protecting signal) at the start of the possession and 400 metres on the approach to the signal (or points or through crossings) at the exit from the possession. Where this distance cannot be obtained, the detonator protection must be placed at the greatest distance possible from the signal (or points or through crossings) concerned.

Where detonator protection has to be placed at less than the required 400 metres beyond the possession protecting signal (or points or through crossings) at the start of the possession or protection has to be placed at less than the required 400 metres on the approach to the signal (or points or through crossings) beyond the possession, then this will be indicated by a # symbol following the signal or points number quoted in the PROTECTION LIMITS.

Last updated: 04/10/2025

Explanation of change: Signal L265 has been removed from the table.

(D23069) (04/10/2025) (RSSB) (UFN)

CHANGEOVER TO GREENWICH MEAN TIME (GMT)

British Summer Time (BST) will cease to operate as from 02:00 hours British Summer Time on Sunday 26 October 2025 when Greenwich Mean Time (GMT) will commence and in connection therewith, the following instructions must be carefully observed:

1. Adjustment of clocks on Railway Premises

The Signaller on duty in signal boxes (and other places where a night staff is employed) to be instructed that at 02:00 hours British Summer Time on Sunday 26 October 2025 clocks must be set to 01:00 hours by putting the hands backwards by 1 hour. At places which will be closed at the time the change operates, the clocks must be altered by the person who is last on duty on the preceding day (Saturday 25 October 2025).

Clocks electrically controlled are to be adjusted by the staff who usually attend to them.

2. Train Services

Trains due to commence their journey before 02:00 hours British Summer Time on the night of Sunday 26 October 2025 will continue throughout to their destination ahead of time. All trains due to commence their journey between 01:00 hours and 02:00 hours BST on Sunday 26 October 2025 will start 60 minutes early and run ahead of time unless otherwise shown in the Special Traffic Notices.

Trains booked to commence their journey at 0200 hours and after Greenwich Mean Time on Sunday 26 October 2025 must start as booked unless altered in the Special Traffic Notices. Depots are to adjust train crew booking on times accordingly.

3. Records and Journals

All records and journals must show the actual time of train running in British Summer Time until 02:00 hours Greenwich Mean Time from then onwards. All records showing times between 01:00 and 02:00 hours inclusive, should indicate whether BST or GMT.

MISCELLANEOUS INSTRUCTIONS

REPLACEMENT OF DOO STATION EQUIPMENT AT KENT ROUTE STATIONS

FROM WEDNESDAY 01 MAY 2024 UNTIL WEDNESDAY 01 MAY 2028

*****PLEASE NOTE THE END DATE HAS BEEN EXTENDED SINCE FIRST PUBLISHED*****

Driver Only Operation (DOO) equipment is gradually being replaced. The work mainly entails replacement of monitors and occasionally metalwork such as camera housings and monitor housings with new units at Kent route stations

Work will be undertaken between trains booked to call, or during white periods overnight.

Any queries should be directed to either Darren Goodall, or Doug Mackenzie – NR DOO Section Managers Kent.
